

# SUCCESS STORY

These two schemes are a little bit exceptional schemes taken during the FY- 2020-2021 under the provision of MGNREGA in the district of Jhargram. Schemes were implemented keeping focus to uplift livelihood development of the people as well as sustainable development & asset creation in those areas. Hope that these befitting schemes would thrust a great impact in socio- economic development of backward areas in due course of time and would be treated as model schemes for such type of areas of the state which is one of the most important aims to achieve goal under MGNREGA in rural areas.

1st one- is an IBS secheme. One family will be benfitted but many local people would be able to earn their livelihood from this scheme in future.

Name of District : **JHARGRAM**
